

Mec E 468 Numerical Simulation in Mechanical Engineering Design

AUTOMARK CLASS REPORT

Semester: Win 2022

Instructor: Prof. David S. Nobes

Class: Mec E 468 Numerical Simulation in Mechanical Engineering Design

Assignment: Assignment No 1

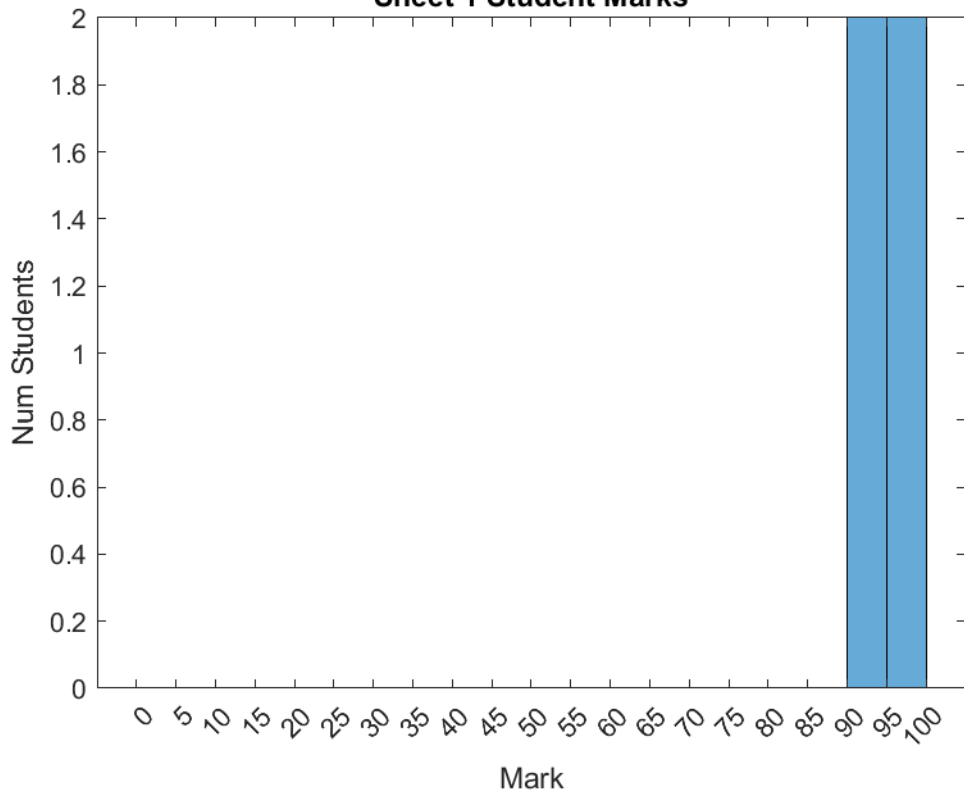

PROCESSING DATE: August 16, 2022

NOTE: These grades are preliminary only and need to be confirmed.

The following pages include each of the drawings in the following order:

- Your submission
- Your submission marked by AutoMARK
- The solution
